

# Warren Township Schools

*Shining Brighter Every Day*

October 3, 2019

Dear Mt. Horeb Families,

As you may know, our monthly newsletter has gone by the wayside. In it's place, Mrs. Trenson and I will be supplying you with regular calendar updates. Please see the October calendar below.

Our first month was a great success. Your kids made a seamless transition out of the bliss of summer to the engagement of school. They continue to come into the building smiling. Back to School Night attendance was tremendous and I sensed very positive vibes throughout the entire night. We are now in the midst of thinking about the season of fall, how that can fuel our teaching and learning, and what we are all going to be for Halloween. Note the date and time of our PTO sponsored and planned Trunk or Treat. And, of course, parents are welcome to attend our school Halloween Parade.

Thank you for all that you do to support us. If you have any time, please remember that volunteering, even one time, would make a wonderful difference for you and for us.

Mr. Cook
