

## Woodland Library

### 2nd Annual

### Summer Reading

### Book Swap

Are you looking for new books to read this summer?  
Trade the books you read this year in for something  
new to you!

#### How it works:

- Find up to 10 of your own books that you do not want anymore
- Drop them off during library class on June 2-8
- You will get credit to swap for a different book for each book you bring in
- Trade to get your new books during library time June 9-18

Example: Joey brings in 10 books from home that he is done reading and drops them off during his library time the first week in June. He'll get 10 credits to use the following week. Beginning June 9th, Joey can 'shop' for gently used books, during library time, that other students have brought in to school.

Books must be in good condition

Books must be appropriate for elementary school readers

Questions? Ask or email Mrs. Zaleski

**CALLING ALL BOOKS: All Library Books are due  
into Library by week of June 6th**
