## **A Week of Making Good Choices**

### **Warren Township Elementary Schools**

#### **Guidance Department**

**October 17-21, 2016**

In recognition of School Violence Awareness Week and National Red Ribbon Week, we will be celebrating “A Week of Making Good Choices.” In line with our district wide character education curriculum we will be encouraging students to positively handle conflict and solve problems. This week each class will view a video and participate in a classroom lesson to learn how to help if someone is bullied. The students will learn the definition of a bystander and what behaviors are expected by students to help someone in need. Our goal is to continue to encourage a positive school climate.
