*Shining Brighter Every Day*

November 2016

Dear Woodland Parents,

This year, American Education Week will be observed during the week of November 14<sup>th</sup>. We are celebrating the week by inviting you to visit Woodland School to see classroom instruction and the great things that happen daily. Below is the listing of all the days and times that Woodland will be open for parents to observe.

**Tuesday, November 15<sup>th</sup>**

**Classroom Visitations: 1:30-2:30pm**

**REACH Workshop for parents- 2:30-3 in the APR.**

REACH teachers, Colleen Krumm and Wendy Piller will conduct a workshop in which parents will learn how inquiry/discovery based learning enhances higher level thinking skills. This hands-on workshop will incorporate the elements STEAM (Science, Technology, Engineering, Art, and Mathematics).

**Thursday, November 17<sup>th</sup>**

**Classroom Visitations: 9:30-10:30am.**

The teachers will conduct classes as they normally do each day. We appreciate your entering classrooms quietly and respectfully. Please be sure to silence your cellular phones when you are visiting the classroom. Please note that younger siblings and/or children may NOT attend.

We hope that you are able to spend some time with us during American Education Week. When entering the building there will be a special sign in for the day as well as a name tag that you will need to wear. As I say throughout the school day, "It is always a great day at Woodland School". If you have any questions or concerns, please do not hesitate to call or email me.

Sincerely,

Mr. Jeff Heaney

Jeffrey Heaney, Principal
