WOODLAND AFTER SCHOOL ENRICHMENT CLASSES FOR 1ST- 4TH GRADES

Building with LEGO® bricks and learning-

This will be our last session for this school year for the 1st – 4th grades (we will have a class just for kindergartners at the end of April). It will be a shortened 6 week session. We are going to combine two themes; **Factory Fun** and **Jurassic Brick Land**. They have nothing in common other than some very interesting models. They will include a **compactor, pick & pull robots** and **scissor lift** for the Factory Fun and **Velociraptor, Brontosaurus** and **T-Rex** for the Jurassic Brick Land party. Factory machines and dinosaurs are sure to make an interesting great session.
