September 2017

Dear Parents,

You are cordially invited to Woodland School's Back to School Night on Thursday, September 28, 2017. This evening will provide you with an opportunity to meet your child's teacher and to gain an understanding of the curriculum, materials, homework procedures, and teacher expectations. You will also have a chance to visit with specialists and to review and enjoy classroom displays and student work. **This is a parents-only night.** Please plan in advance for child care as supervision will not be available at the school. **Carpooling is strongly encouraged as parking is limited.**

Back to School Night is specifically designed to provide you with an overview of classroom operation and practice and familiarize you with the school and your child's teacher. If you would like to meet with a teacher or receive a phone call to discuss your child's progress, please contact the office or your child's teacher directly. Individual parent-teacher conferences will be held November 6-8.

You will find an agenda for the evening listed below. Please join me at 6:40pm in the gymnasium as I welcome you to what promises to be a wonderful school year.

The staff and I look forward to meeting with you at Back to School Night and throughout the year. Parents and teachers have the greatest impact on the life of a child. A strong and positive partnership between home and school is truly essential to give students the skills to be productive members of our community. The staff at Woodland thanks you in advance for attending this special evening.

Kindly,

Jeff Heaney
