

AFTER SCHOOL

So fun... it won't feel like learning!!

we learn, we build, we play with
LEGO® Bricks

WOODLAND AFTER SCHOOL ENRICHMENT CLASSES FOR 1ST- 4TH GRADES

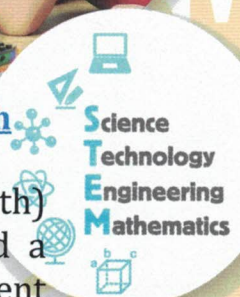

**Building with LEGO®
bricks and learning-**

PLEASE NOTE CORRECTION TO START DATE. SEPT. 27th, NOT SEPT. 26th

The Bricks 4 Kidz S.T.E.M. (Science, Technology, Engineering & Math) enrichment program combines the fun of building with LEGO® and a structured class setting. Each week the students will build a different motorized model. We are offering a new theme and new models this session. It is the **World of Science**. The 8 week session will focus on models and corresponding discussions related to specific science topics. The models will include an Anemometer (wind speed), a seismograph, an earthquake simulator and even a hatching chicken. During the model building, emphasis is placed on collaborative work and developing the students critical thinking skills. The classes are both educational and fun; a great combination.

Sibling (ONLY) 10% discount code: 59BFF1C1C5A3A

Sponsored by the Woodland PTO, which receives 10% of the tuition

Wednesdays 3:20 – 4:20pm

Cost: \$128.00 for an 8 week session

**Class dates: Sept. 27th, Oct. 4th, 11th, 18th,
25th, Nov. 1st, 15th & 29th**
