Shining Brighter Every Day

November 2017

Dear Woodland Parents,

This year, American Education Week will be observed during the week of November 13th. We are celebrating the week by inviting you to visit Woodland School to see classroom instruction and the great things that happen daily. Woodland parents are invited to observe classrooms on:

Friday November 17th

Classroom visitations: 1:30-3:00pm

The teachers will conduct classes as they normally do each day. We appreciate your entering classrooms quietly and respectfully. Please be sure to silence your cellular phones when you are visiting the classroom.

Please note that younger siblings and/or children may NOT attend.

We hope that you are able to spend some time with us during American Education Week. When entering the building there will be a special sign in for the day as well as a name tag that you will need to wear. As I say throughout the school day, "It is always a great day at Woodland School". If you have any questions or concerns, please do not hesitate to call or email me.

Sincerely,

Mr. Jeff Heaney
