

Dear Woodland Families,

It is with great sadness that I inform you of the unexpected passing of Helen Psarianos. Mrs. Psarianos is the mother of a Woodland School 1st grader and 6th grade twins at Warren Middle School. On behalf of the entire Woodland family, we extend our deepest sympathy during this extremely difficult time to the family. Please know that this is a very personal time for the family. Conversations about losing loved ones are best discussed at home with your children. Mrs. Langworthy, the school guidance counselor, and additional support staff will be available to any student or staff in need of help. Details about arrangements will be shared when they become available. Please join me in keeping the Psarianos family in your thoughts.

Sincerely,

Jeff Heaney
Woodland School Principal
