

Dear Woodland Parents and Families,

After being the Woodland School Counselor for the past 13 years, I have decided that it is time for the next chapter in my life. I will be retiring from my role at the end of this school year. Woodland has been an important part of my life as I have worked with thousands of students and families. I have enjoyed getting to know all of you and your children and providing counseling services to our school community.

I appreciate all of the wonderful colleagues I have been able to collaborate with over the years, and I consider it a professional accomplishment to have contributed to making Woodland a Blue Ribbon School. I feel privileged to have had the opportunity to share my passion for Mindfulness with all the students and staff at Woodland School, and I am proud that this has become part of the guidance curriculum for our school district. I look forward to continuing to teach mindfulness in my future endeavors and I plan to share my expertise with businesses and other communities.

There will be a new full-time counselor at Woodland who will continue to provide counseling services for your children. If you have any questions or concerns I will be happy to meet with you prior to the end of the school year, or you can contact me at dlangworthy1@gmail.com.

Diane Langworthy, MSS
School Counselor
Woodland Elementary School
