## WOODLAND AFTER SCHOOL ENRICHMENT CLASSES FOR 1<sup>ST</sup>- 4<sup>TH</sup> GRADES

### Building with LEGO® bricks and learning-

What better way to get the spring underway than with a trip to the Florida Everglades with our **Exploring the Everglades** theme. All the models are based on animals and activities that you would see or do in the Everglades. Models will include an **alligator, fish, airboat, fisherman, bird and more.** The Bricks 4 Kidz S.T.E.M. enrichment program combines the fun of building with LEGO® and a structured class setting. During our classes, our focus will be working with your children to develop critical thinking skills, communication skills, collaboration and stimulate their creativity. All the while they are having fun building with LEGO®.
