

Warren Township Schools

Shining Brighter Every Day

Parent Information Sessions for 2016-2017

The Warren Township School District's Department of Curriculum and Instruction is excited to offer a series of parent information sessions this year. As in past years, the topics of the information sessions will provide parents with an overview of certain instructional or program areas. Each presentation is an opportunity for participants to learn about specific district programs.

Presenters will vary depending on the area of focus. District curriculum supervisors, literacy coaches, instructional specialists, classroom teachers, and consultants will be involved in this year's presentations. Presentations made by district staff will generally be offered in the morning and in the evening on the scheduled day. The location of each presentation will rotate among schools. Parents from all schools are invited to attend a presentation at any venue.

The presentation information and dates can be found below. About two weeks prior to each presentation, an email will be sent to the community reminding them of the upcoming presentation and date. In addition, all dates will be posted on the district calendar.

Please note: The first presentation is September 13.
