

Warren Township Schools

Shining Brighter Every Day

March 22, 2017

TO STAFF MEMBERS:

Ensuring accurate, timely, and trustworthy communication with key stakeholders is integral to supporting student success. Toward that end, we will be conducting a comprehensive audit of district and building communications with key audiences, identifying areas of strength and opportunities for improvement. As one of the initial components of the audit, we are inviting you to take the ***SCoPE School Communication Survey for Staff***. Access the survey at <https://goo.gl/JXJmLg> on almost any computer or mobile device. Participation takes less than 15 minutes and is completely anonymous.

The SCoPE results will help us determine what practices are working well and should continue, as well as what practices can be improved upon. It is important that we hear from as many of our staff members as possible. The survey will be open through April 7th. Please take this opportunity to have your voice included. Log on now at <https://goo.gl/JXJmLg>.

For staff members who are also parents and/or members of the Warren Township community, you may receive invitations to take two or three of our SCoPE surveys. Since the value of our results increases when more people participate, we encourage you to take each of the surveys that correspond to your relationship with us.

Thank you for your time and attention.
