

Warren Township Schools

Shining Brighter Every Day

March 22, 2017

TO MEMBERS OF THE WARREN TOWNSHIP COMMUNITY:

Ensuring accurate, timely, and trustworthy communication with key stakeholders is integral to supporting student success. Toward that end, the Warren Township School District will be conducting a comprehensive audit of district and building communications with key audiences, identifying areas of strength and opportunities for improvement. As one of the initial components of the audit, we are inviting you to take the ***SCoPE School Communication Survey for Community Members***. Access the survey at <https://goo.gl/C7Qbwa> on almost any computer or mobile device. Participation takes less than 10 minutes and is completely anonymous.

Please be aware that Watchung Hills Regional High School is also conducting the SCoPE surveys. You are invited to complete a separate survey for them and can access their survey at <http://goo.gl/wxrBDN>.

The SCoPE results will help us determine what practices are working well and should continue, as well as what practices can be improved upon. It is important that we hear from as many of our community members as possible. The survey will be open through April 7th. Please take this opportunity to have your voice included. Log on now at <https://goo.gl/C7Qbwa>.

For members of the Warren Township community who may also be parents and/or employees at Warren Township Schools, you may receive invitations to take two or three of our SCoPE surveys. Since the value of our results increases when more people participate, we encourage you to take each of the surveys that correspond to your relationship with us.

Thank you for your time and attention.
