

Summer Fun 2018 will be here before you know it!

Brochures will be available soon. Registration opens in February.

I am excited to once again be the leader of this incredible program. This is my 13th year as principal and we have added many new course offerings for your child to sample along with our most popular ones. This year we will be holding our five week program at the Mount Horeb School.

Summer Fun is a unique program where students can attend academic support and enrichment courses. This year we have again opened our doors to Warren residents and residents of surrounding districts. This provides our Warren students an opportunity to meet new friends and socialize with children from other districts.

All registrations are conducted online and our brochure will be sent home and available on our website www.warrentboe.org in February 2018. Please keep a look out for the hard copy which will be sent home in your child's back pack.

I think that our program is superior to all other "camps" in that our courses are taught by certificated teachers who specialize in the areas for which they teach. We offer a variety of classes where your child can grow and soar. We have sports, art, literature, math, drama, technology and scientific courses, all designed to be fun and educational!

I believe that our program is the best value around! We offer an Early Bird 10% discount off of your entire registration if forms and payment are received by May 4th, 2018. We also offer a Super-Saver Discount for each class period you sign your child up for; *Example: period 1 for all five weeks.* When you sign up for all five weeks for one specific period (you can choose a different class each week) you will receive one week free. We still have Extended Care and After-Care but now offer Early Care. We also provide a Sibling discount of 10% off the entire fee for each additional sibling that signs up.

What is great about our program is the fact that your child may register for one week, two, three, four or our entire five week program. Children may select different classes each week which allows them the opportunity to try many different courses as well as sign up again and again for their favorites!

I am so excited to once again head this program where children get the opportunity to learn new things, develop skills, play, socialize and challenge themselves. Our staff is just incredible and I am sure you will agree with me that Summer Fun is the best program around!

Please feel free to contact me if you have any questions at mlettire@warrentboe.org or 908-753-5300 ext 5470

Sincerely,

Meryl Lettire

Summer Fun 2018 Principal
