Warren Township Board of Education Meetings

Throughout the spring, each Warren Township elementary school will host one Board of Education meeting. This provides an opportunity for board members to tour each school. Additionally, school principals coordinate student presentations. On March 14, the board viewed a presentation at Angelo L. Tomaso School on the writing process from students in Mrs. Wegener's class. More recently, members of the board of education enjoyed a presentation on the Growth Mindset program at Woodland School. The board will be traveling to Mt. Horeb School, on April 11, and to Central School, on April 25.
