## Food Drive for Disaster Relief

Following the destruction and devastation from Hurricane Ida, Warren Township Schools' staff members banded together to collect donations throughout the week of September 13 to benefit the Food Bank Network of Somerset County.

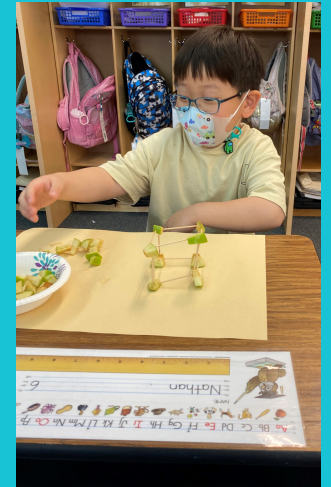

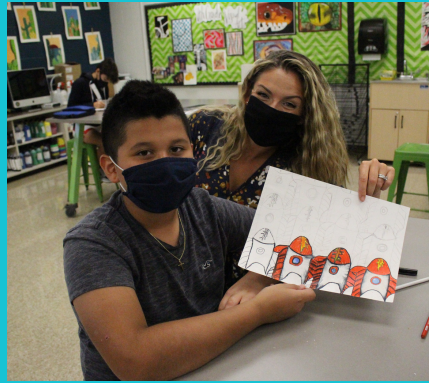

The Food Drive was sponsored by the District, the Warren Township Education Association (WTEA), and the Warren Township Administrators Association (WTAA). Thanks to the generosity of district staff members, the drive produced a total of 597 pounds of food and personal hygiene products. The entire story can be found [here](#).
