- **Curriculum**
- **Grading**
- **Website**
- **Contact**

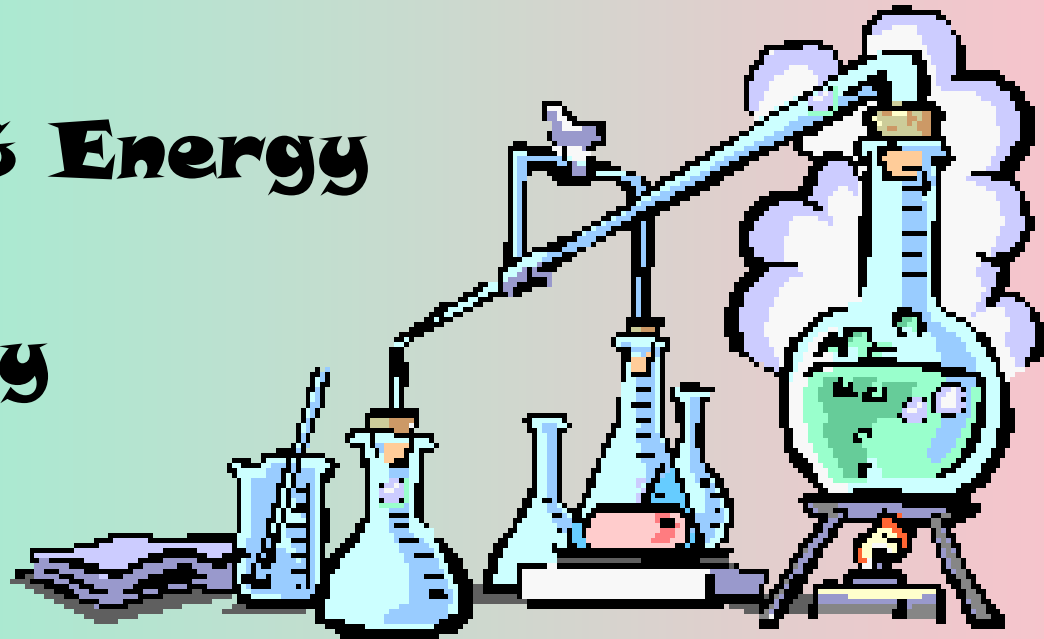

Philosophy

We believe every child is special and capable of learning. In our experience and studies, the best way to understand scientific concepts is through a variety of techniques that focus on interactive and hands on activities and the application to each student's life.

Curriculum

- **The Nature of Science**
- **Matter & Energy**
- **Chemistry**
- **Physics**

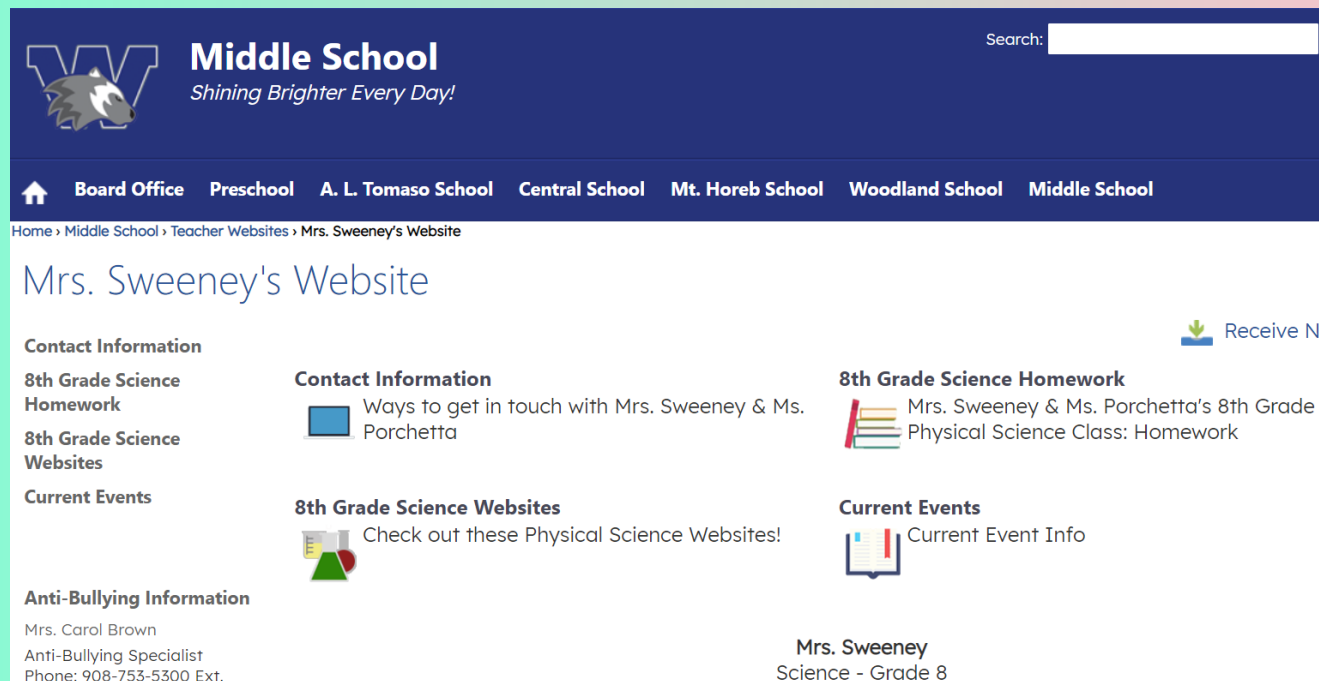

Grading

- **Point System**

Homework	Approximately 10 points each
Labs	Approximately 25-75 points each
Notebook Organization	Approximately 25-50 points each
Class Work & Quizzes	Approximately 50-100 points each
Tests & Projects	Approximately 150-200 points each

Website

- **Homework & Class Work**
- **Contact Info**
- **Science Websites**

The screenshot shows the website for Mrs. Sweeney's 8th Grade Science class. The header features the school logo (a 'W' with a wolf head) and the motto 'Shining Brighter Every Day!'. A search bar is located in the top right corner. The navigation menu includes links for Board Office, Preschool, A. L. Tomaso School, Central School, Mt. Horeb School, Woodland School, and Middle School. The breadcrumb trail reads: Home > Middle School > Teacher Websites > Mrs. Sweeney's Website. The main content area is titled 'Mrs. Sweeney's Website' and includes several sections: 'Contact Information' with a 'Receive Notifications' button, '8th Grade Science Homework' with a link to 'Mrs. Sweeney & Ms. Porchetta's 8th Grade Physical Science Class: Homework', '8th Grade Science Websites' with a link to 'Check out these Physical Science Websites!', 'Current Events' with a link to 'Current Event Info', and 'Anti-Bullying Information' listing Mrs. Carol Brown as the Anti-Bullying Specialist with phone number 908-753-5300 Ext. The footer identifies the page as 'Mrs. Sweeney Science - Grade 8'.
