

Shining Brighter Every Day

Mission Statement: In partnership with family and community, provide an environment where each child is valued and experiences the challenge and excitement of learning with the expectation that all students shall achieve the New Jersey Core Curriculum Content Standards at all grade levels.

I would like to invite all members of the community to learn more about our schools. Check out our website, attend a Board meeting or PTO meeting, or call the Superintendent's Office for more information. I value your input. Together, we can create a bright and shining environment for our students.

Strategic Plan

As we think about the future and its impact on our students, it becomes critical that we focus our resources on areas that are valued by the entire community. Recognizing the importance of forward thinking, the Board of Education tasked Superintendent Dr. Tami Crader, with the creation of a long-term Strategic Plan.

Through interactive dialogue and surveys of staff members and community members, areas of focus for the district were identified. Teams of volunteers then developed recommendations in each focus area and presented those recommendations to a large Steering Committee. The recommendations, designed to connect and clarify existing initiatives and create a pathway for future initiatives, will serve as the goals and strategies for the district. See the following focus areas and highlights.

Focus Areas

21st Century Learning

- ◆ Expanding scenario-based instruction
- ◆ Offering staff development promoting district initiatives and content knowledge
- ◆ Developing and presenting regular parent information sessions

Technology

- ◆ Using Google collaboration tools for students
- ◆ Providing one Chromebook for every incoming 6th-grade student at WMS
- ◆ Appointing a teacher in each building to offer technology coaching support
- ◆ Improving the reliability and efficiency of technology
- ◆ Establishing and communicating clear expectations for staff and student technology use

School Environment

- ◆ Implementing consistent character education and accountability programs
- ◆ Enforcing updated safety measures
- ◆ Planning opportunities to celebrate staff and student accomplishments

Communication

- ◆ Creating two-way communication structures
- ◆ Utilizing social media tools and the district website to enhance communication
- ◆ Scheduling more frequent opportunities for staff articulation
- ◆ Increasing opportunities to showcase staff and student work

Assets

- ◆ Pursuing grant opportunities
- ◆ Revitalizing the Warren Township Education Foundation
