## Week of Respect: October 7th - 11th, 2019

*the Anti-Bullying Bill of Rights Act (P.K.2010, c.122) requires that the week beginning with the first Monday in October of each year be designated as the Week of Respect in New Jersey.*

School districts observe this week by providing age-appropriate instruction focusing on preventing/remediating harassment, intimidation, and/or bullying.

We all have heard Aretha Franklin's song about RESPECT, but what is a definition that our students can grasp?

**RESPECT** is thinking and acting in a positive way about yourself or others. It is also thinking and acting in a way that shows others you care about their feelings and their well-being.

During the week of RESPECT, Warren schools will highlight skills and interactions that facilitate positive student relationships.

In addition, each school will focus on empowering students to observe the impact they can make, simply by approaching each day from a place of treating others the way they wish to be treated.

We hope to use this week as a spring board for promoting kindness to each other. I encourage you to speak to your student(s) regarding RESPECT.
