## Registration conducted online at:

http://www.warrentboe.org/schools/summerfun/registration/

# **Academic Support Classes**

Academic classes are **free** of charge for Warren Township students who are identified by their classroom teacher as needing additional academic support. The goal of these classes will be to help students reinforce skills and maintain progress, so it is essential for students to attend on a regular basis.

Cost for out-of-district students \$500 (grades 1-8) \$800 (Kindergarten)

**Kindergarten Readiness:** Offered to children entering kindergarten in September 2019, who were identified during kindergarten screening as requiring additional support for academic and social success.

**Kindergarten Review:** Offers students who have completed kindergarten, and are recommended by their classroom teacher, a review of skills.

<u>Integrated Language Arts</u>: Offers students small group instruction focusing on print work, fluency, reading comprehension and writing skills.

<u>Mathematics</u>: Offers students small group instruction focusing on strategies for developing fluency of basic facts and problem solving skills.

#### **Enrichment Courses**

<u>Cost for Warren students:</u> \$75 (per class period) per week <u>Cost for Out-of-district students:</u> \$85 (per class period) per week

#### **Super Saver Discount**

Sign up for one class period for all 5 weeks and save! Students may select a different class each week!

<u>Warren students:</u> \$300 (per class period) for all five weeks. (\$75 off) <u>Out-of-district students:</u> \$340 (per class period) for all five weeks. (\$85 off)

# **Sibling Discount**

The first child in a family pays full price. Additional children receive 10% Discount.

### **Early Bird Discount**

Additional 10% off total payment if register and pay in full by May 3, 2019.

#### **Teen Adventures**

This camp program is designed just for Middle School students. In Teen Adventures attendees get to socialize while learning new skills while training to be future volunteers and aides for our Summer Fun Program. Teens will attend two periods of training (period 1 & 2) and two periods (period 3 & 4) of student – selected enrichment classes.

Students must sign up for all four periods per week, but are not required to attend all five weeks.

#### Early Care Program 7:00 am - 8:30 am

The Early Care program is supervised by certificated teachers.

It provides children the chance to play games, create art, and relax with other students. Pre-registration is required. \$350 (entire program) or \$25 (daily rate)

#### Extended Day Program 12:30 pm - 3:00 pm

The Extended Day program is supervised by certificated teachers and begins with a student-provided lunch. Children will have the opportunity to play games, enjoy movies, create art and participate in social activities.

Pre-registration is required. \$550 (entire program) or \$35 (daily rate)

#### After Care Program 3:00 pm - 6:00 pm

After Care is run by the same teachers and will be available following the Extended Day Program. Please make sure to send your child with a snack. Additional healthy treats will be provided along with additional activities. Pre-registration is required. \$650 (entire program) or \$40 (daily rate)

# **Enrichment Course Descriptions**

#### A Star is Born- Ms. A. Pech (Grades K-8) New Course

Do you love to be on stage? Do you like being the center of attention? Than this course is for you. Each week students will work on a one-act play which they will perform live on Friday! In this fun filled class students will learn how to improve their acting skills, vocal expression and so much more! In preparation for the performances students will play theatre games, work on costumes and practice, practice! So join us and let your inner star shine!

#### Animal Planet - Mrs. W. Piller (Grades K-6)

Touch down on our amazing Planet where we'll explore the animal kingdom through tons of hands-on activities. Want to cook up some tasty treats like chocolate mice or edible butterflies? Want to learn fascinating facts about cute, cuddly and even strange and scary creatures? Then this is the course for you. Through cooking crafts, animal-related games, pet-themed films, and mesmerizing stories you'll get to go on a creative adventure of a lifetime!

#### Arts & Crafts - Ms. D. Riccio (Grades K-8) New Teacher

Do you like making crafts out of ordinary household items? Do you like getting messy and creative? Then this year's Arts and Crafts class is perfect for you! So if you like using your imagination and don't mind getting your hands dirty, this class is everything you've been looking for! Come join us as we make summer-themed crafts that you'll want to keep for years to come!

#### Clay Works - Mrs. L. Seccamanie (Grades K-8)

Come be inspired with clay! Each week will offer unique projects from designing your own containers and boxes, to making clay items to hang. We will make animals, sea creatures, summer-themed pieces, and more! We will also paint our creations once they are dry! Don't miss out on making 3-D art while using a variety of clay, tools and techniques! Come catch the clay craze!

#### Computer Graphics & Design - Mrs. D. Porchetta (Grades K-8)

Let's have some fun creating art on the computer! In this class you will have the opportunity to make designs which you can place in stationary, on cards or even create iron-ons for your clothes and back packs! Students will gain new computer skills while creating art! So join us and bring your artistic spirit as you make your very own Graphic Designs!

#### Cooperative Games and Adventure - Mr. P. Jones (Grades K-8)

Come and enjoy this exciting course. Through cooperative games children will develop social skills while having the time of their lives. We will play games that focus on teamwork, foster self-esteem, develop creative problem solving skills, and promote good sportsmanship. Some examples of games we will play are capture the flag, team tag games, human "Battleship", and more. Come make friends, learn new skills, and be challenged!

#### Creative Gaming - Ms. J. Andrews (Grades K-8)

If you like playing games and want to create your very own, than this is the class for you. Using general art supplies, and modern technology such as; i-Build, coding, green screens, and stop motion, you will get to invent exciting new games that you can try out with your fellow classmates. So if you like to stretch your imaginative spirit, join us for a creative gaming adventure.

#### Creative Writing and Bookmaking - Ms. C. Ticchio (Grades K-8) New Course

Do you love a good story? Do you want to write one? Then this is the class for you. Each week will center on a different literary genre. Week 1 we will explore fantasy and create magical tales. Week 2 we will laugh our butts off as we create comic writing. Week 3 we will study spooky tales and scary mysteries. Week 4 we will focus on fairytales and myths. Week 5 is all about action, where superheroes overcome their foes. So join us on a literary odyssey and let your creativity soar!

#### Discover Science - Mrs. M. LeBlond (Grades K-8)

Students will explore basic science principles in this engaging hands-on class. Each day, participants will perform an experiment or participate in an activity to enhance their knowledge of the world. We will discover the science behind Silly Putty, slime, bubbles, crystals, and more. With STEAM (science, technology, engineering, art and math) activities we will experiment, observe, and problem solve! Join us and discover just how cool Science can be!

#### Exploration Earth- Ms. C. Parolise (Grades K-8)

Do you have what it takes to survive in some of the Earth's most extreme environments? If so, grab your suitcase and embark on an amazing journey around the world! Each week, we will explore a different geographic region. In this STEAM (science, technology, engineering, art and math) class, we will conduct experiments, create art, and learn about the importance of conservation. Prepare to be amazed by the wonders of our world!

#### Fantasy World - Ms. A. McGuire (Grades K-8)

Join us for an amazing ride as each week we explore a different theme in this hands on crafty class. During week one we will enter the magical world of dragons and fairies. Week two let's escape to Harry Potter's Wizarding World. Week three be prepared for action and mayhem as we become superheroes. During week 4 explore the galaxies of Star Trek and Star Wars. Week five will be a final imaginary trip through the world of Minecraft. So climb onboard for an amazing intergalactic trip to Fantasy World!

#### i-Build- Mrs. L. La Neve (Grades 2-8) New Course (combined Steam Tank & Innovation Station)

Do you like a good challenge? Are you someone who can figure out, fix, or solve problems? Do you like to design, construct and play with rolling, twirling or flying machines? If so, then this is the class for you! In this STEAM-based class (science, technology, engineering, art, & mathematics) we offer hands-on problem solving, where we create cool projects using recycled materials & K'NEX sets. So strap on your thinking cap and jump into the world of i-Build!

#### Jewelry Making for the Fashionista - Mrs. R. Sutherland (Grades K-8)

Do you love jewelry? Well, in this class you will be able to make your very own fashion accessories! Each week we will explore a new method of jewelry making to create bracelets, earrings, necklaces, and more using a variety of materials such as gems, crystals, metal, and safety pins. So bring out your inner fashionista and create amazing jewelry for yourself or your friends and family!

#### Just Dance - Mrs. C. Trump (Grades K-8) all skill levels welcomed! Back by popular demand!

Do you enjoy listening to popular songs on the radio? Does music get you moving? Then this is the class for you! It doesn't matter if you've been dancing for years or never set foot on the floor before. Each week, Mrs. Trump, a professional dancer with over ten years teaching experience, will have you performing a new routine. Let Mrs. Trump share her love of dance with you! Come out and just dance!!

#### Lights, Camera....Action! - Mrs. A. Jensen (Grades K-8)

Calling all actors, actresses, and comedians! Do you like making up your own commercials, skits or TV shows? In this course you will create funny scenes with props and costumes! At the end of each week, you will have an awesome video of your performance to share with your family. This class is open to all creative students who like to make people laugh. Come and shine like a star!

#### Master Chef Academy - Mrs. M. Stora De Cruz (Grades K-8)

This exciting course is the perfect way to introduce young chefs to a culinary adventure. Throughout this course, students will collaborate with their peers while using critical thinking skills. Student will not only learn different cooking techniques, and sample wonderful recipes, but they will also learn about healthy eating, and the restaurant business! Allergy forms must be filled out and handed in on the first day of class.

#### Math Wizards - Ms. J. Thomson (Grades K-8)

Come and explore the wizarding world of math! In this fun-filled course you will get to use simple math facts to build bridges, create beautiful art works, fly kites and even break codes. Each week we will go on an adventure testing the boundaries of the mathematical world to make everything from string art to tessellations. Come join us as we use math to create fantastical out-of-the world creations.

#### Photography 101 - Mrs. C. Beekman-Brink (Grades 2-8)

If you enjoy taking selfies, snapping pictures, and making art, then Photography 101 is just right for you. Each week we will shoot photos, go on scavenger hunts and create cool art to display them in, including collages, frames, photo cubes, and so much more. Come snap some pics and make memories that last a lifetime.

Digital camera recommended but not required.

#### Picture Perfect Painting - Mrs. R. Davenport (Grades K-8)

Are you a budding Picasso or an aspiring Monet? Do you like art and want to experiment with paint? If so this class is for you! In this exciting course students get to learn about famous painters and try different types of paints, styles and techniques. So pick up a brush, and palette and let your artistic abilities shine!

#### P.L.A.Y. - Ms. L. Lamson (Grades K-8)

"Physical & Leisure Activities for the Young" is a course where you will have fun and stay fit through indoor sports and games such as polar bears and Eskimos, snow castles, parachute games, star wars, and team games like soccer and kickball. Games are modified for children in the younger grades. So come learn teamwork, cooperation, and self-expression while being physically active. It's time to P.L.A.Y.!!!

#### The Art of Nature - Ms. L. Lenci-Coppola (Grades K-8) New Course

Calling all nature lovers and artists alike! Combine your passion for nature and art in this one exciting course. We will use multimedia techniques to create nature-inspired masterpieces! Spark your imagination as we build fairy gardens, design bird feeders, and create sun catchers to name just a few! Join us as we dive into the Art of Nature!

#### So, You Wanna Sew? - Mrs. S. Leonard (Grades 3-8)

In this fun-filled course we will hand sew and use sewing machines to make a variety of items such as tote bags, pocketbooks, cell phone cases, lap quilts, pillows, infinity scarfs and so much more! We will start with a hand sewing project and work up to using the sewing machine. You might even make a quilt from old tee shirts that you don't wear anymore!

#### Summer Fun Live – Ms. M. Wolkun (Grades K-8) New Course (Must have parental media release approval)

Do you want to be the next YouTube sensation? Then this course is for you! Each week, students will be able to explore various digital storytelling programs for television. Students can create newscasts, talk shows, interviews, advertisements and much more! Students will be able to pick a topic of their choice and research, plan, write, perform and edit their content for the world to see! So come make your YouTube dreams a reality at SFL -Summer Fun Live!

Teen Adventures – *Mr. P. Jones* (Grades 6-8) (*Required to become future Summer Fun volunteers*)
Let the adventure begin! This course prepares Counselors-In-Training (CITs) to become future volunteers for Summer Fun. CITs will engage in a team-based, problem-solving adventure incorporating technology and creative thinking. The class runs as a double session, followed by two periods of self-selected enrichment courses where teens can pick any of our selections so they can learn, explore and "hang" with friends! *Attendees must sign up for all four periods for one or more weeks*.

#### Tumbling, Cheerleading & Gymnastics - Mrs. S. O'Shea (Grades K-8) All skill levels welcomed!

If you are a cheerleader here is a great opportunity to improve your tumbling skills. Get ready to learn gymnastics skills with a certified USGA gymnastics trainer. The focus will be on strength training and flexibility. So if you want to learn cartwheels, back-walkovers...or even work on your back handsprings come on in and let's have some fun. Let's get our Warren spirit going and learn some cheers and stunts! We will be the Summer Fun Cheer Squad!!

#### Yoga-tastics! - Ms. L. Farrell (Grades K-8) New Teacher

This fun-filled, energetic class blends active movement with mindful moments. Challenge your imagination through creative movements, storytelling sequences, fun games, and partner poses. You will build stability, increase flexibility, and strengthen your body as you learn how to focus through breathing and relaxation techniques.

Namaste!

# **Academic Support & Enrichment Class Schedule**

Academic Support Period 3 (10	20 - 11.20)	Grade	Teacher
	riods 3 & 4)	Pre K	Harris
	riods 3 & 4)	K	Traynor
Integrated Language Arts	3 17	1	Velasco
Mathematics		2	Lukko
Integrated Language Arts		4	Nathan
Mathematics		5 & 6	Kassalow
Integrated Language Arts		7 & 8	Rizzoli
Enrichment Period 3 (10:30 - 1	1:20)	Grade	<u>Teacher</u>
A star is Born		K-2	Pech
Arts & Crafts		K-2	Riccio
Computer Graphics & Design		K-2	Porchetta
Cooperative Games & Adventures		K-2	Jones
Creative Writing and Bookmaking		K-2	Ticchio
Discover Science		K-2 K-2	LeBlond McGuire
Fantasy World Jewelry Making for the Fashionista		K-2 K-2	Sutherland
Just Dance		K-2	Trump
Math Wizards		K-2	Thompson
Tumbling, Cheerleading & Gymnastic		K-2	O'Shea
Animal Planet		K-6	Piller
i-Build		2-8	Le Neve
Photography 101		2-8	Beekman-Brink
Clay Works		3-8	Seccamanie
Creative Gaming		3-8	Andrews
Exploration Earth		3-8	Parolise
Lights, CameraAction!		3-8	Jensen
Master Chef Academy		3-8	Stora De Cruz
Picture Perfect Painting So, You Wanna Sew?		3-8 3-8	Davenport Leonard
Summer Fun Live		3-8	Wolkun
The Art of Nature		3-8	Lenci-Coppola
Yoga-tastics!		3-8	Farrell
_			<b>*</b>
P.L.A.Y.		4-8	Lamson
		4-8	Lamson
