Date:	April 15, 2016
Re:	Exit Card Feedback from Community Meeting, April 6, 2016

The following is the feedback received from attendees at the community meeting on the exit cards:

Green- "The model I prefer"

Forty Seven (47) total cards

 Forty Seven- Chose Model 1

Of those 47, Thirteen (13) commented that there is a need to redistrict while maintaining this model
Four (4) commented- "No other option"
Two (2) commented "Need to redistrict September 2016"
One (1) commented "Deal with Mt. Horeb issue"
Additional singleton comments:
"Not enough data to choose"
"Address bespoke issues"
"Insufficient information for other models"
"No change to the current system"
"Current configuration maintains the positives of our schools; townspeople want neighborhood schools"
"Losing 20% of facilities for 3% cost savings or $300.00 per taxpayer is not worth it based off flawed data." Concentrate on making our kids education experience better; field trips. Solve MH first grade issue by redistricting."

Beige: "This model is not my first choice, but has significant merit"

Total Cards 6

- 1- Chose Model 3
- 1- Chose Model 3 modified to be: 2 (two) Prek-3 schools and 2 (two) 4-5 schools
- 2- Said "none" and "Not for Warren" "No data of similar demographics; purchased data flawed"
- 1- "No data"

1- "Can't answer- no data supports other models"

Yellow- "I can live with this option, but prefer another

Total 6 Cards

One (1) Chose Model 2
Three (3) said "None"
Two (2) Said "no data- can't answer, no data supports other models"

Salmon: "There is no way that I can support this option"

Total Cards: 12

Five (5) all except Model 1
One (1) Model 4
Two (2) Model 3A and Model 4
One (1) Model 2
One (1) Princeton model
One (1) "Can't answer, no data support other models
One (1) Models 2-8 "Clearly not enough information to support doing anything else. Seriously, for
$300.00 per family?"

White: " I have no preference"

No cards were returned
